

On behalf of the Sectorial Retreat Committee, I would like to extend this invitation to you to join us for the New York Sector Sectorial Summer Retreat 2008 at Templed Hills Camp and Retreat Center. Templed Hills is located on 155 acres of Rocky Mountain splendor at 8,200 feet. It features mountain views, clean, quiet air, wild-flowers, aspens, and hiking trails in Pike National Forest.

“By dint of sādhaná and kiirtan devotees bring the supreme flow of spirituality into the practical world; they taste it and bathe in it. Parama Puruśa is not an object of bookish knowledge, of philosophical speculation – He is the soul of souls, the nearest Entity to a devotee’s heart, the One with whom a devotee is constantly playing and conversing with laughter and joy.”

Shrii Shrii Anandamurti

It is in this spirit that we invite you to this year’s retreat.
